EXTRAORDINARY CLAIMS

...

REQUIRE EXTRAORDINARY RECEIPTS

THE TIMELINE

2008-2010: Phil G. and Brie D. begin a sexual relationship.

July 9th, 2010: Brie's parents find out. They submit statement to police.

Early 2010: Phil threatens suicide to Brie to get her to not testify.

July 11th, 2011: Phil pleads guilty. After initially admitting guilt to all 8 charges, Phil takes a plea deal to 1 charge.

December 2012: Megan's Law goes into effect for Sexual Offenders, hence why Phil is not registered.

THE TIMELINE

November 13, 2019: Phil G writes a \$21,789.84 bad check. Godlewski pleaded guilty Feb. 22, 2021 to writing a bad check and tampering with records. In exchange, prosecutors dropped theft and forgery charges.

February 14th, 2021: Chris Kelly writes Scranton Times article highlighting Phil's grift as a Qanon leader, and his crimes of corrupting a minor.

Mid 2021: Phil starts a fundraiser to sue the Scranton times. Shortly after Phil releases a video stating the Scranton times would have to prove his sexual relationships with a minor and that his victim would also stand with Phil.

Late 2021: Phil, being close to broke, starts to sell silver, and gold, as rollover 401k programs - based on lies that silver would increase dramatically in price.

GoldCo, & 7K Silver, became the two MLM's that Phil used to amass millions of dollars from people.

THE TIMELINE

November 30th, 2022: Phils defamation case goes completely south. Brie testifies against him. The text messages from the 2010 court order are found at Verizon, and used in this case against Phil.

May 3rd, 2023: Phil sues Brie, the minor he had sexual relations with, claiming her words were lies to the Scranton times. Brie counter sued, and the text messages were brought into the case.

December 24th, 2023: Nick Alvear started looking deeply at the evidence provided, and made a public statement to his channel for all Phil cult followers to leave. Phil shared that to his public forums, causing a lot of hate & personal attack against Nick. Nick and Good Lion made sure the truth would set Phils hostages free.

December 30th, 2023: The defamation case against Scranton times was no longer accepting discovery from both parties. Phil's legal team had exhausted all their efforts to delay progress. They submitted very little evidence to counter the case.

THE TIMELINE

Summary:

Phil committed sexual assaults on a minor in 2008 into 2010. His relationship with a minor was discovered, her parents took it to the authorities. Brie was in a relationship with someone who had just committed suicide. Phil found it necessary to prey on her vulnerability, for attention & sex. Phil had threatened suicide if Brie took a stand against him. She complied. Phil was punished, but not with the 7 charges he would have been, had the evidence not been tampered with, aka, threats made to Brie. Phil was sentenced to 3-23 months, with 3 serving under house arrest and the rest on probation. Phil 10 years later with \$250 in his bank, writes a \$21,000 bad check, and then photoshop bank statements to prove it was in there. He was investigated, caught, and was sent to jail for 30 days, and came out with 4 years probation which he currently is still serving. Phil thought he could get Brie to testify against the Scranton times interview that called out Phils pedophelic past, she denied, and took a stand against him. Phil, running out of options, sued her, and in the process she counter sued. The smoking gun now, was that Verizon still had the text messages from the 2010 case. This being the saving grace for Brie, and the karma making its stop at Phils address.

2008-2010: Phil G. and Brie D. begin a sexual relationship.

Duryea man accused of bouncing \$22K check

BY DAVID SINGLETON, STAFF WRITER
Feb 21, 2020

A Duryea man faces charges of paying for almost \$22,000 in home improvement materials with a check he knew would bounce and then providing the seller with a doctored bank account statement in an attempt to cover up the deception.

Records show Philip Godlewski's Wells Fargo Bank account had an actual balance of just \$267.95 when he issued a \$21,789.84 check to Mariotti Building Products on Nov. 13. Investigators said.

Godlewski, 36, 115 Huckleberry Lane, surrendered Thursday at the Lackawanna County Courthouse, where he was arraigned by Magisterial District Judge Alyce Farrell on theft by deception, forgery and other charges.

Godlewski pleaded guilty Feb. 22 to writing a bad check and tampering with records in exchange. Prosecutors dropped theft and forgery charges.

Barron ordered Godlewski to begin his sentence Tuesday afternoon.

Here's "proof." In the normal course of reporting this column, I stumbled upon some legal troubles in Godlewski's recent past. In 2011, the former Riverside High School baseball coach pleaded guilty to corruption of **minors** and admitted to having a sexual relationship with a 15-year-old girl.

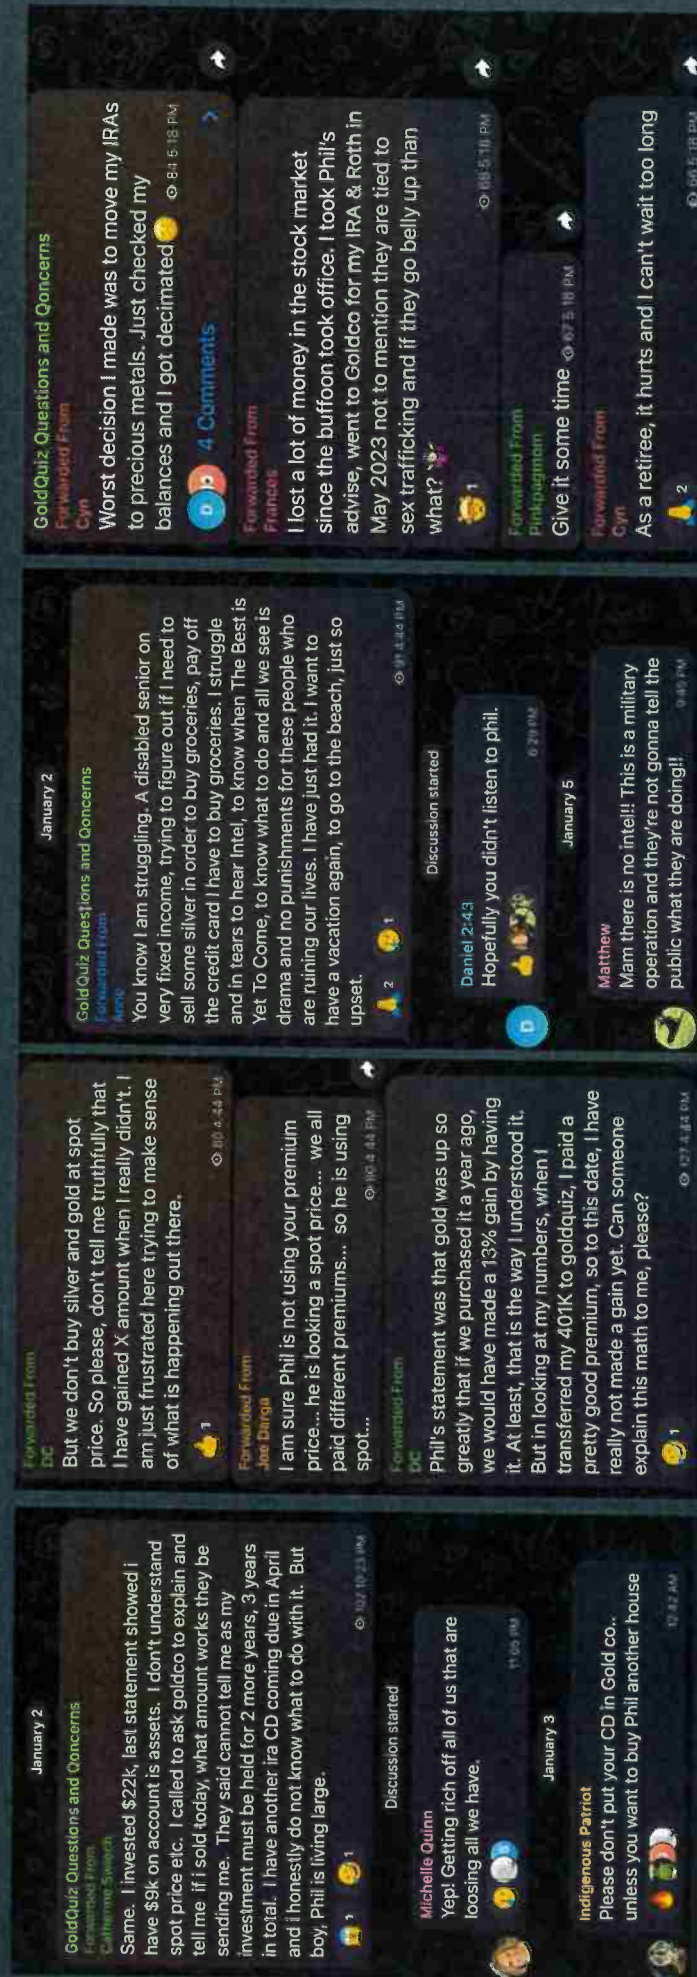

Lackawanna County detectives said Godlewski had sex with the girl in cars and homes he had access to as a real estate agent. Godlewski, 28 at the time, was sentenced to three to 23 months, with the first three months to be served under house arrest and the balance as probation.

Mid 2021: Phil starts a fundraiser to sue the Scranton times. Shortly after Phil releases a video stating the Scranton times would have to prove his sexual relationships with a minor and that his victim would also stand with Phil.

Incoming	Like sorry I really wanted to talk to you after fighting last night, "my bad". But now I don't even give a fuck. And I'm going to stop getting myself excited about you each day. I'm sick of the disappointment

Incoming	So if that's how it really is? Just leave me alone and I'll do the same
Incoming	And YOU fuck another guy, let's keep that straight. You've had sex with Tom more than I have with Dori since the start of this year. You're not innocent

B D 11h

Hi Facebook friends... I know it's been a while and there's been a million and one reasons for that that I haven't been ready to share until now but let me tell you guys... I CANNOT and WILL NOT spend another day off the grid or "off the airways"... and most importantly I'm not going to continue to stay silent and continue to disturb my own peace by holding everything in and constantly being asked where I've been or what's going on.

If you are reading this and you know me personally or even just know me via social media, you'll know I love to talk, I love to share- whether it be humble bragging about some accomplishment or sharing how my life has been a complete catastrophe to try and shed some light on the fact that nothing is easy, no one is perfect, and the pictures people paint of their lives on social media are by default how they're perceived but as we all know that's not real life. At the end of the day, everyone has their own shit, their own reality, their own circle, their own bubble, their own happiness, their own things that they wish they never, EVER had to deal with, and their own things that they hide from.

Well guys, I am here to re-paint my own picture and here to say that I am done hiding- because I am not someone who backs down in a corner and let's people say and do whatever they want to me while I just sit back and not correct them if they're wrong or misinformed... but I have been and that is not me. In all of my 29 years of being alive, this has single-handedly been the hardest year of my life. If you take my "party" phase, every single depressive rut, every death of a friend, every death of a loved one, every break up that ripped my heart out of my chest, every fight I've ever had with my family... if you take all of those things and add them together it still doesn't match up to just how (excuse me) fucking hard this past year has hit me.

9:41

9:41

I will do my best to explain what's been going on but I have to be careful because well... if you keep reading you'll understand why. Some of you may know, some of you may think you know, some of you may only know bits and pieces and some of you may have absolutely no idea what I'm talking about so let me clarify without completely airing out my dirty laundry:

When I was 15, I slept with someone who was 25 and if you're reading this and are someone who thinks that's okay and 25-26 year old men should be sleeping with 15 year old girls, then this post probably isn't for you. Anywho- that's what happened. Considering I was quite literally a child, I was horrified by the publicity and spotlight this brought to my life and just wanted it all to be over.. so when he got in trouble and by the time it went to court I again just wanted everything to be over and couldn't grasp just how wrong this was- so being that I was a minor, I plead the 5th amendment and chose not to say anything. He was facing serious jail time but because of my pleading the 5th, he got house arrest for a few months and we went our separate ways and considering I did what I did, me and this person have always remained "cool". So you may wonder why this is all coming to light now.

In a nutshell and without divulging too much- in recent years this man has gotten super involved with "politics" where he has a platform of hundreds of thousands of followers which he uses to tell his version of MY story, degrade my character and credibility, and between him putting his own twist on MY story and selling political theories- he is making millions.

I have been looked at sideways, I have heard whispers my whole life.. and in the last year or so it has gotten so bad that I have received threats from strangers, been denied jobs.. and there I was then... pleading the 5th not talking, here I was the last 15 years minding my own business, and still

I have been looked at sideways, I have heard whispers my whole life.. and in the last year or so it has gotten so bad that I have received threats from strangers, been denied jobs... and there I was then... pleading the 5th not talking, here I was the last 15 years minding my own business, and still here I've been this whole entire time hiding, backed into a corner not speaking up or standing up for myself until now. But unfortunately major controversy and with that being said welcome to the last year of my life.

I finally got sick of letting this man dictate the entire narrative of my life and finally got to tell my side of the story... not on social media, not to friends, but legally. So after 15 years of hiding from this "story" I finally decide to speak up and legally and correctly speak my truth and now I am being sued by a multimillionaire for slander and defamation JUST for saying "yes, this happened when I was a teenager" as an adult. Me, a 29 year old female from Taylor who rents an apartment and drives a 2011 jetta is being sued by a man who has 5 cars and 6 houses. Yup.

So, that's where I've been guys. Hiding and dealing. I was instructed to stay off social media completely but I'm not going to reappear and start liking peoples stuff again like a weirdo or share a meme after being radio silent for a year. Again, that's just not me and I literally cannot spend another day living that way.

As much as this year has absolutely BLOWN, I couldn't be more grateful that some of the people closest to me or so I thought have shown their true colors and sided with this other person. As sad as I was, I rather stay off social media, hangout with my family and keep a tight circle than live amongst snakes any day of the week. So yeah. That's where I'm at. If you're still reading this- you're awesome and please please keep me

EXPOSING PHIL GODLEWSKI PART 2

What does it mean when someone is projecting?

When someone unconsciously attributes their thoughts, feelings, or behaviors to another person, they are projecting. ¹ For example, your partner may feel jealous in your relationship but may accuse you of being jealous. In this example, your partner is projecting their jealousy onto you. May 22, 2023

Phil accuses Nick and others as pretenders, misrepresenting facts, showing half the truths, stating we'll be in jail, and lose everything...

Newsflash: Phil's past of pedophilia has him in court. He's wasting money and losing to both Scranton & Brie. There will be no trial with Scranton. The case will be dismissed. You are projection onto everyone.

This girl is everything that is wrong with our current society, and I will singlehandedly put an end to her charade.

Brie had recently been expelled from Lackawanna College for attempting to lure one of her male professors into a relationship with her. She knew he was married, and proceeded anyway. When she was told to stop by the Professor, she continued. This caused the Professor to file a complaint with the College, and Brie ultimately was expelled for her conduct.

Hearing of this, Brie had told several friends about the situation, but that she had "found a way out". This "way out" turned out to be an affidavit in the Godlewski/Scranton Times case. Tim Hinton (lawyer for the Scranton Times), allegedly (according to Brie) had promised Brie help with her expulsion from Lackawanna College, in exchange for her affidavit against me.

Brie accepted the quid-pro-quo.

The "help" never happened. To this day, Brie has not graduated from Lackawanna College, despite her 4 year tenure with the school. She was duped.

My legal team has evidence to support everything that was said above, which will be introduced to the court when the time is right.

Jan 17 Court Docs

Instead, we focus on the undeniable truth that Plaintiff has not submitted in support of his motion any evidence, as he must, to establish a *prima facie* basis for the entitlement to punitive damages. This is not to say the complaint itself is legally insufficient - unable to survive a preliminary objection in the nature of a demurrer. Rather, we are guided by the heightened standard Plaintiff must meet in seeking to engage in wealth discovery.

That is, although courts allow punitive damages claims to proceed beyond the pleadings stage without specific factual support showing willful, wanton, or reckless conduct, a plaintiff is not entitled to wealth discovery until first establishing the requisite *prima facie* basis to recover punitive damages. Specifically, Plaintiff must support his request with evidence Defendants acted willfully, wantonly, or recklessly. *Cabot Oil, supra* at 1199. While this issue may be revisited should Plaintiff, during the course of discovery, develop evidence of the required conduct, he has not at present satisfied his burden to convince us he is entitled to conduct wealth discovery.

An Order consistent with the foregoing now follows.

That's what's true. Alvear will go to any lengths to bend the truth, by misquoting, providing misdocumented evidence, providing selective evidence, and name calling and personal jabs.

That stuff doesn't work IN COURT.

So the court documents were not fake? Which means he he accepted the "Corruption of a Minor" charge he by default is guilty of grooming an under age girl for sex correct?

Which also means the text messages were real. Because if they were not why did he plead guilty for something that was not real?

Do you see how stupid you sound?

What person in their right mind would plead guilty to something that never happened if it was not real?

Why are you all so desperate to hang onto someone who has not delivered anything for you? You want good news that bad?

You all remind me of Halle Berry in "Monsters Ball" when she asked the police who killed her child to "Make Her Feel Good".

Wow! No coincidences!

I have NO connection to this person in the photograph above who for some bizarre reason seeks to link himself to The Gates Of Tomotley and me.

I spoke to him ONE time by phone almost 2 years ago when he asked to speak with me to explain away some prior criminal charges against him.

I mentioned his channel on my Telegram so that you could figure him out for yourselves.

What did you learn???

I hope you learned the TRUTH.

I want to publicly apologize for sharing the private conversation with Charlie Ward on this channel.

My originally thought was that the conversation would show unity amongst Truthers, in the face of pretenders like Nick Alvear. I thought solidarity was important to project onto our following.

I was wrong. Alvear has now defamed Charlie Ward and continues to disparage him.

Fear not. Alvear's day is coming.

To Charlie, I'm very sorry. This has been a trying time for me, and some of my actions have been unfiltered. Starting today, that will change.

Please accept my most humble apologies.

If and when a show is announced, it will be on all of my main channels.

Charlie is still pretty pissed at me. I have no idea if he even still wants to collaborate.

PEOPLE ARE WAKING UP

Just got home from work and saw his manic comments about Nick then afterwards quotes Biblical verses and does the Cracker Jack box of "coms" AGAIN! This dude is mentally ill. And I'm not even joking. Oh, and then posts asking his idiotic, gullible, retarded followers to don't post anymore about Nick! You just can't make this shit up! He is LOSING IT REALLY QUICKLY. HE HAS A GREAT BIG NOTHING BURGER! I am not aware of any legal proceedings he has won. Does anyone know any? Once again, he's his own worst enemy and a laughing stock of Telegram. Oh, and these letters from who knows where. This last one he posted has to be the biggest, ignorant ass kisser ever! He has a God Complex like I've never seen. If I were to direct someone has has never heard of this sick bastard they would recommend his family has him sign himself into a mental facility. Nick, you have inadvertently caused him to lose his damn mind. In all the time he's been conning, stealing, perverting like a sicko he is, I've never seen him succeed at destroying anyone. Everything about this pervert is out there for all to see! If his unintelligent following can't comprehend what this guy is, they deserve everything coming their way. Hahahaha

Five Hundred Million DOLLARS!

That's right -- my Goldquiz.com platform has now eclipsed \$500,000,000 in IRA/401k rollovers since its inception in late 2022.

We have successfully taken over \$500,000,000 away from the Cabal, and their corrupt stock market money laundering scheme.

Average, everyday Patriots have the RIGHT to diversify their wealth, and be given an option to where they want their savings.

The FIAT dollar is DYING a very, very public death. Inflation is crippling America. Don't lose what you've worked for your entire life! Diversify your portfolio and roll over your 401k/IRA to a PRECIOUS METALS backed 401k/IRA today!

Gold and Silver is God's money. Hold your wealth in the form of what God intended.

Hi there,

A View is counted when your video appears on a page an user is browsing, but unless the user clicks on your video to play it, the monetized ad doesn't play either. (The user has not engaged the video, and has not watched the ad associated with it.)

A Play is what we want; this means the user has watched the video. This translates into revenue if the video is monetized.

All views are counted regardless of whether they are Rumble subscribers or not.
